## Employment

### Lily's Kitchen

Senior Digital Designer - Nov 2016 - Present

Responsible for taking the brand and creative and using it to define and promote Lily's across multiple online touch points. I was responsible for designing much of the content during a recent website relaunch, working with internal stakeholders and external agencies to get the correct look and feel. My day to day role requires me to work closely with many teams across the business, advising them on possibilities, generating ideas and creating digital assets as required. I am also responsible for coding content updates to the website.

### Ocado Speciality Stores

Senior Digital Designer - Sept 2015 - Nov 2016

I managed a small team who deal with the design and web updates for General Merchandising and the Speciality Stores of Ocado. As well as design and front-end development for Ocado's Fetch and Sizzle, we also worked on other non-food elements on the main site such as Toy, Beauty and Home. On top of the creative responsibilities I also liaised between teams, made sure briefs were given correctly and delegated out equally, manage deadlines and make sure the team was working effectively on the whole.

### Rakuten.co.uk

Digital Designer - Nov 2014 to Sept 2015

Part of a European team responsible for all digital design for Rakuten's marketplace websites across Europe. Projects included, banners for web, email and social, affiliate collaborations, UI/UX design and art direction in a variety of campaigns, as well as page creation for across Europe.

### Seven Seconds

Digital Designer - June 2014 to Nov 2014

Primarily working on the Waitrose account, I was responsible for designing both on and offline marketing material and informative pieces.

### Mama Mio

Digital Designer - Nov 2013 to June 2014

### Red Aware Ltd

Graphic & Web Designer - Nov 2011 to Nov 2013

### Copyzone Ltd

Graphic Designer & Artworker - Nov 2010 to Nov 2011
